

10% discount on QSense Sensors To Go and Selected Modules

Take the opportunity to refill your stock with QSense Sensors or expand your research with our modules. Until the end of 2020, we give you a 10% discount when ordering your QSense Sensors To Go and Selected Modules.

Sensors To Go

QSense offers the widest range of sensor surface coatings on the market. Whatever you are interested in, we have a solution for you. Our sensors are developed and produced to provide you with stable, reliable, and reproducible data.

QSense Sensors To Go includes the following:
QSX 301 Gold, QSXT 301 Gold, Tray*, QSX 303 Silicon Dioxide, QSXT 303 Silicon Dioxide, Tray*, QSX 304 SS2343 (similar to US standard 316) Stainless Steel, QSX 309 Aluminium Oxide, QSX 310 Titanium, QSX 314 Platinum, QSX 312 Tungsten, QSX 313 Copper (inert packaging, limited shelf life), QSX 326 Iron Oxide (Fe₃O₄), QSX 335 Silicon Dioxide, for QELM 401, QSX 336 Borosilicate glass, QSX 337 Soda-lime glass, QSX 338 Gold, Ti adhesion layer.

Read more about all our QSense sensors [here](#).

Modules

Pairing your instrument with our modules will widen the possibilities for your research. Our electrochemistry, ellipsometry, or window module are a few of the options that might come in handy in your work. Turn the page to see a selection of our add-ons or have a look at our modules online [here](#).

The offer is valid through 2020-12-31 on all QSense Sensors To Go and Selected QSense Modules on next page. [Contact us at \[biolinscientific.com\]\(mailto:biolinscientific.com\)](#)

Selected QSense Modules

Electrochemistry, ellipsometry, or humidity. Which module would help you progress your work? Discover our selection of our modules below and find more information at biolinscientific.com/qsense.

QSense Electrochemistry module

QSense Ellipsometry module

QSense Flow module

QSense Humidity module

QSense Window Electrochemistry module

QSense Open module

QSense PTFE module

QSense ALD holder

QSense Window module

About us

We are Biolin Scientific. A worldwide company making state of the art instruments and smart solutions for scientists. Knowledge is our greatest resource and an essential part of everything we do. In collaboration with leading universities and industries, we solve challenges to simplify everyday life in the lab. Our customers are experts in surface science, and we have the tools for them to progress. Biolin Scientific is a part of the AddLife Group.
